FOR IMMEDIATE RELEASE

Universal Lighting Technologies Announces Andrew Nowak as OEM Regional Sales Manager, Northeast

NASHVILLE, Tenn. (Sept. 25, 2020) – Universal Lighting Technologies, Inc., a member of the Panasonic family of companies, recently announced the addition of Andrew Nowak as OEM Regional Sales Manager, Northeast.

“At Universal we take great pride in our team members, and Andrew brings a tremendous amount of knowledge to our talented sales team,” said Tom Kim, vice president of OEM sales. “As a company we have the right solutions in our LED drivers, modules and controls to assist our customers with their luminaire designs. Having the right people on the team is equally as important as offering the right products, and Andrew will be a solid advocate for both our products and our customers.”

Nowak rounds out the Universal sales team with a variety of experience. He has more than 13 years leading efforts in supply chain, post sales, marketing, product management and specification sales.

To enhance his expertise in lighting solutions and technology, Nowak attained his Lighting Certification (LC) from the National Council on Qualifications for the Lighting Professionals (NCQLP) in 2018. In his new role, he will provide sales communication and support to OEM Engineers and customers in the Northeast region.

Nowak graduated from Western Michigan University with a bachelor’s degree in Engineering Management and a minor in Supply Chain Management. He later attended the University of West Georgia to attain his Master of Business Administration.
