RoHS Compliance Verification Statement

Universal Lighting Technologies (ULT); is among the members of the NEMA voluntary call to action for RoHS compliance. This voluntary action is an open recognition to move forward with RoHS standards even without legislation pushing the conversion.

ULT can certify compliance to RoHS Level 1.

RoHS is the restriction of the use of certain hazardous substances in electrical and electronic equipment. The restricted substances for Level 1 are Lead, Mercury, and Cadmium
This letter certifies to the best of our knowledge that all product lines listed below comply with the RoHS Level 1 standards as of **December 2018**.

This list will be continually updated as qualifying line conversions are completed.

- VS-Branded Electronic and Magnetic Ballasts (For all Lamps)
